ABOUT US

We,"Ganpati Industries", started in the years 2008, are one of the foremost manufacturers and trade an extensive array of Tiles Making Machine, Block Making Machine, Tiles Making Table and Tiles Hardener. Our products are appreciated for their features like easy to use, low maintenance, energy saving, robust construction, long service life and lightweight. Further, these products are offered in varied technical specifications and can be customized as per the needs of the clients. Our production unit is well equipped for increasing the output.

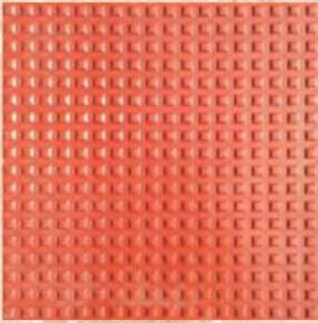

Our workforce comprises of devoted engineers and skilled workers. Empowered with technical knowledge and well-adept to modern manufacturing techniques, they are able to make optimum use of the available resources. We are able to understand the needs of our patrons that help to deliver products according to their demands. Hence, we have been successful in maintaining the trust and confidence of our patrons. From the first day of our starting, we have been able to manufacture the best quality of the Tiles Making Machine and Block Making Machine at cost effective prices.

Under the able and efficient supervision of our mentor Mr. Irshad Khan (Proprietor), our company has come across several leaps and bounds in achieving a reputed position. Also, our zeal has enabled us to carve a niche in this industry.
